SANTA CLARITA WINTER SHELTER

The Santa Clarita Community Development Corporation is a non-profit organization that contracts with the Los Angeles Homeless Services Authority (LAHSA), to operate the winter shelter program in Santa Clarita Valley. The winter shelter program provides beds, hotel vouchers, and case management services for the homeless during the cold weather months of December 1st through March 15th. However, due to budget cuts, the Santa Clarita Community Development Corporation needs additional funds to operate the shelter through March 15, 2004.

I, THEREFORE, MOVE THAT the Board of Supervisors direct the Department of Community and Senior Services to give a portion of the unallocated Fifth District Community Service Block Grant funds to the Santa Clarita Community Development Corporation, which would allow the agency to operate the winter shelter program until the ending date of March 15, 2004.
